

Overnight Registration

Dear Parent(s),

The staff at Rocky Mountain Training Camp is excited and looking forward to having your daughter as a part of our camp this summer. We know that she will have an enjoyable and rewarding experience. Enclosed you will find important information needed before your gymnast's arrival at camp.

CAMP REGISTRATION IS COMPLETE WHEN:

- 1.) All forms have been completed and received at michele@starsgymco.com**
- 2.) A photocopy of your athlete's insurance card has been received**
- 3.) Payment has been processed.**

Camp will be filled in order by the receipt of completed application, forms, and payment processed in full. A camper with a completed application, payment, and camp forms will be moved into camp ahead of one that is missing materials.

HOUSING: All overnight campers and (visiting) staff will be staying in the residence halls at the University of Colorado at Colorado Springs. Generally, there will be 4 girls assigned to each suite and they will all share a bathroom. Breakfast and Dinner will be served at the cafeteria at the dormitories and lunch will be served at the gym. When the gymnasts check-in at the residence halls, she will be given a key for her room. **The gymnasts will have sole responsibility for their key and will be charged a fee of \$75.00 for replacement of the key due to loss or damage. These costs will be the responsibility of the gymnast and/or her parent/guardian and must be paid upon check-out.** The camp is not responsible for personal items that are lost, stolen, or damaged. The gymnasts will be transported via a bus contracted through U.C.C.S.

ROOMMATE ASSIGNMENTS: Roommate requests will be taken, but NOT GUARANTEED! While we will make every effort to accommodate roommate requests, it cannot be guaranteed that your child will be assigned a room with the person that she has requested. Only 1 roommate may be requested and the same request must be made by both parties or the requests will be discarded. For example, if Susie Milani requests Michele Harper, than Michele Harper must also request Susie Milani. Roommate requests can be made at the bottom of this form. Please complete roommate requests on the "Gymnast Information Form" that will be returned to the camp

AIRPORT TRANSPORTATION: Colorado Springs Municipal Airport is about 30 minutes from the gym and Denver International Airport is about an hour and fifteen minutes from the gym,. Rocky Mountain Training Camp does not provide any transportation between the camp and the airport.

CHECK-IN: Registration will be held on Saturday July 18, from 8:30am - 9:30am at the residence halls (**La Plata house**) at the University of Colorado at Colorado Springs. Please park in the Parking Garage. If you choose to park elsewhere, they **will** ticket you and RMTC is not responsible for the fines. At 10:00 am, please have your child at the training facility (Stars Gymnastics 3870 Mallow Rd.) to begin their workout. The girls will be placed in groups based on their last competitive level with the assumption that each athlete is moving to the next level.

Once you have dropped your child off at the gym you may either stay and watch or feel free to begin your journey home. (For your child's safety, no child may be picked up or visited by friends or family without checking in with the camp staff.)

If your travel arrangements prohibit you from being here by this time, please contact us, as soon as possible, so that we may accommodate your arrival.

CHECK-OUT: At 2:00 p.m. on Tuesday the girls will begin a display of their dances, a few skills of their choice, and we will be presenting awards for the week. All parents are invited to attend. Immediately following the presentation, parents will return the campers to the dorms for check-out. All campers must be checked out no later than 4:00 p.m. Parking procedures will be the same as check-in.

MEDICATION: All prescription medicine must be given to the housing staff at the time of check-in. All medication, including over the counter medication, must be in its original packaging. Clearly printed instructions for the administration of the medication must accompany the medicine. This must include the amount of the dose to be given, how often to be given, how the medication is to be taken, if there are any special circumstances that must be considered when giving the medication, and a number of the doctor who prescribed the medication.

REFUND POLICY: All fees (less \$100) may be refunded until 6/15/20 for any reason. After 6/15/20, refunds will be made for documented medical reasons only. After 7/1/20 no refunds will be made for any reason. You may not transfer any payment made to another athlete's camp fee. ASSUMPTION OF RISK

Coaching gymnastics is a complex profession conducted by competent, highly trained, certified specialists. We, at Rocky Mountain Training Camp, provide a trained staff and approved equipment. We take our business seriously and our coaches are professionals (not volunteers.)

This Paragraph MUST be read in its entirety

By the very nature of the activity, gymnastics and all camp activities carry a risk of physical injury. No matter how careful the students and the instructors are, how many spotters are used, what height is used or what landing surface exists, the risk can not be eliminated. Risk can be reduced, not eliminated. The risk of injury includes minor injuries, such as bruises and more serious injuries, such as broken bones, dislocations and muscle pulls. The risk also includes catastrophic injuries, such as permanent paralysis or even death from landing or falling on the back, neck, or head. **CAMPERS MUST BE COVERED BY THEIR OWN INSURANCE.** (Statement quoted from the USAG safety manual.)

By choosing to participate at Rocky Mountain Training Camp, each gymnast and her family has been forewarned of the dangers involved. If a gymnast or family member has any reservation regarding the inherent danger of the sport of gymnastics, we ask you to please consult with the staff prior to signing this release. **Warning! Catastrophic injury, paralysis, or even death can result from participation in the sport of gymnastics.**

I CERTIFY THAT I HAVE READ THE ABOVE STATEMENTS AND BEEN NOTIFIED OF RISK IN GYMNASTICS AND DO NOT HOLD THE COACHES, DIRECTORS, OWNERS, OR OTHER EMPLOYEES OF ROCKY MOUNTAIN TRAINING CAMP RESPONSIBLE FOR ANY INJURY OR DEATH SUFFERED WHILE ON THESE PREMISES.
